STEP 1

STEP 1: Attach whip to whip handle located in the figures left hand.

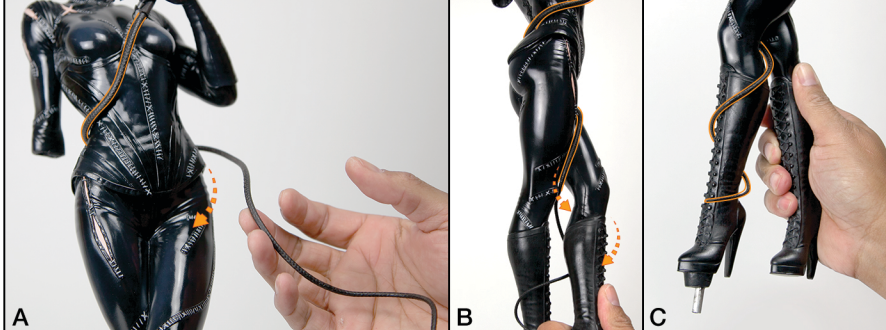

Note: Be very careful when handling the figures hands, as the nails are fragile.

STEP 2

STEP 2: Magnetically attach the left forearm to the left upper arm.

STEP 3

STEP 3: (A) Wrap the whip behind the figures waist, then bring the whip back around to the front left hip. (B) Note: From this point on, the whip wraps around the figures left leg. Wrap the whip behind the figures left thigh. (C) Continue wrapping the whip around the figures leg until it looks like Image C above.

STEP 4

STEP 4: Magnetically attach the right forearm to the right upper arm.

STEP 5

STEP 5: Align the keys on the figures right hand and left foot with the corresponding key holes in the base, and place down on the base.

STEP 6

Step 6: Magnetically attach the figures head and display!
